

# Pre-enrol your child

For the 2018–19 school year

*You will need to pre-enrol in SchoolZone, even if your child is continuing at the same school. This helps schools prepare for the number of students they can expect next year. Ready to get started?*

## Pre-enrol by April 16

### Select your child's designated school

Every home address has a designated public school, but it isn't always the one closest to your home. Visit [epsb.ca/fast](http://epsb.ca/fast) or speak to your child's principal to find your designated elementary, junior high or high school.

### Select any other District school

The school must have available space, and your child must meet any entrance criteria of that school.

## Sign in to SchoolZone

**Between 9 a.m. on March 12 and 4 p.m. on April 16, 2018**

### When you sign in to your parent SchoolZone account:

- choose **Next Year**
- select the name of the child you are pre-enrolling
- follow the instructions to select your child's preferred school

### Course selection is **NOT** part of selecting your preferred school in SchoolZone.

Junior high and high school students will choose specific courses (e.g., fine arts, career and technology studies) through a separate process at their current school.

## Registering new students

Instead of using SchoolZone, students who are **new to Edmonton Public Schools or entering Kindergarten** need to submit a completed Student Registration form by **April 16, 2018**.

Find the form and a list of documents we need to confirm your address and your child's legal name at [epsb.ca/schools/register](http://epsb.ca/schools/register).
